DETAILED ACTION

1. Claims 68 and 70-81 are pending. Applicant cancelled claims 1-67, 69 and 82-85.

Claim Rejections - 35 USC § 103

2. Claims 68 and 70-81 are rejected under 35 U.S.C. 103(a) as being unpatentable over Electronic Commerce News, Vol. 3, No. 42, October 19, 1998, "Plastic or Cybercash? Cutting Banks out of the Payment Circuit," in view of Official Notice. Electronic Commerce discloses ordering a product where an on-line internet connection is disconnected and a connection with a premium telephone line is connected where billing for the ordered product occurs at a billing server. Electronic Commerce does not disclose a plug-in component containing program code. Official Notice is taken that plug-in component's have been common knowledge in the data processing art. To have provided a plug-in component containing program code for ordering a product from a plurality of computers and servers for Electronic Commerce would have been obvious to one of ordinary skill in the art.

Applicant's REMARKS have been reviewed, but are moot in light of the new grounds of rejection.

3. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Joseph Rudy whose telephone number is 571-272-6789. The examiner can normally be reached on Monday thru Friday.
